## HOLY REDEEMER'S SANCTUARY ALTAR ... NEWS TO NOTE!!

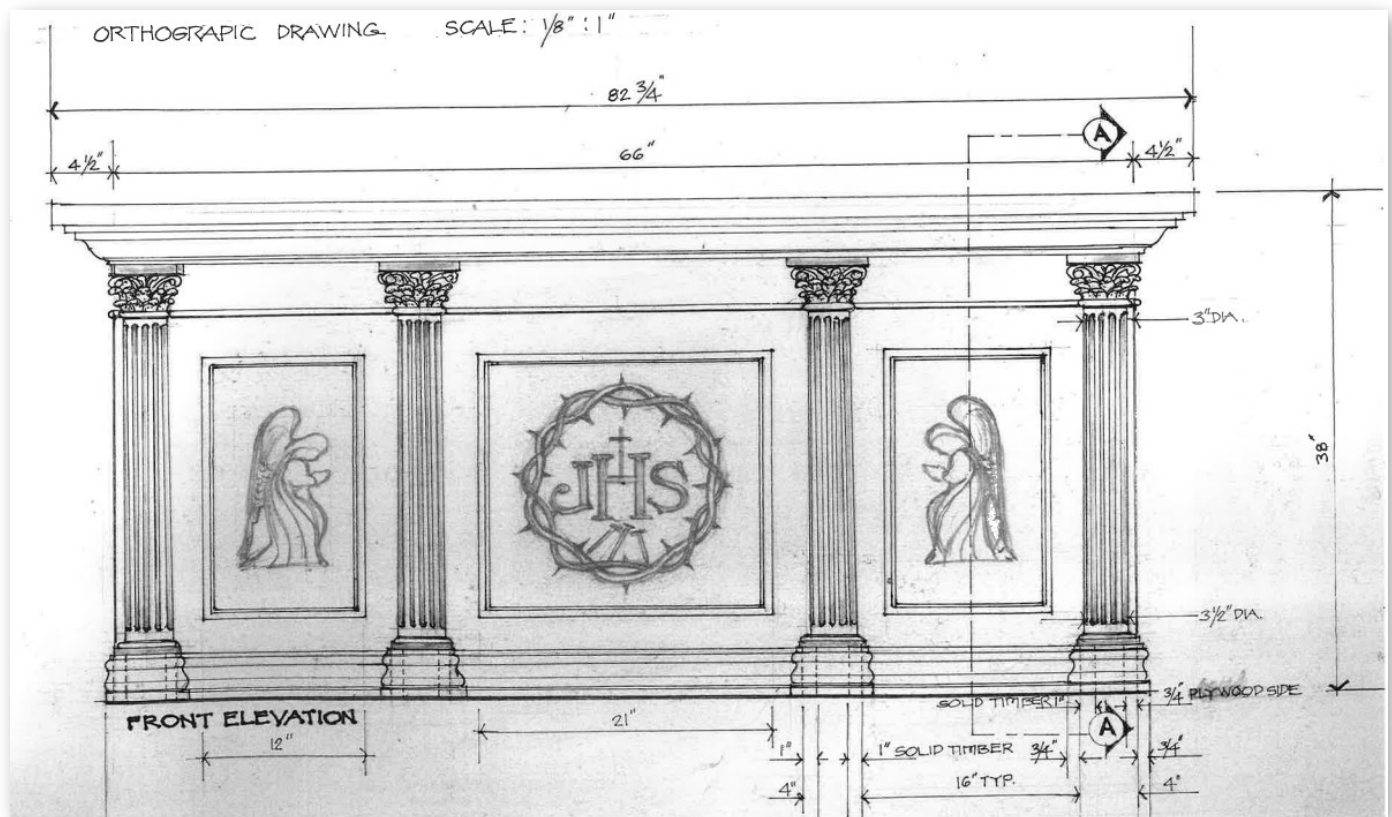

Over the years, numerous parishioners have suggested investigating the possibility of installing the relics of Saints in our altar in accordance with an ancient tradition. These suggestions led to the determination that our current altar has no relics, nor was the altar ever consecrated. So, discussions took place with the heads of various liturgical ministries, finance and parish council.

After some study, it was determined that the current altar had several areas of wear from being moved, and damage to multiple surfaces, and it would not be easy to retrofit the altar to house relics. Therefore, our Archbishop approved the construction of a new permanent and immovable altar which would be designed to house relics, with the understanding that this would fall within the parish budget. This project also affords us an opportunity to renew damaged carpeting in the sanctuary, and to improve audio and power cabling beneath. The altar will eventually be consecrated by the Archbishop.

Several quotes were solicited, and a local woodworker was selected, who has completed high quality work at other Churches. The altar will be constructed of cherry and other types of wood to complement the existing cherry wood backdrop. Since our church is named Holy Redeemer, the design of the altar will emphasize the Lord's passion, and related relics have been obtained: 1<sup>st</sup> class relics of Saint Margaret Mary Alacoque (responsible for devotion to the Sacred Heart); and many other martyrs, and 2<sup>nd</sup> class relics from the place of Jesus' scourging; from the place of Jesus' burial; and from the site of the crucifixion.

We are also looking for a 1<sup>st</sup> class relic of St. John Paul II to maintain a symbolic connection with our cornerstone which was blessed by St. John Paul II during a visit to Canada. If you can give us a relic of St. John Paul II, please be in touch with Fr. Connor.

For your reference, a blueprint is provided below. If you have any questions, please see Fr. Connor who is overseeing the project. We truly believe that this project will bring many blessings to the parish and help us better align with our ancient traditions. Thank you!

## HORIZONS of HOPE

A TOOLKIT FOR CATHOLIC PARISHES ON PALLIATIVE CARE

### Horizons of Hope: A Toolkit for Catholic Parishes on Palliative Care COMING TO HOLY REDEEMER ...

**First Session BEGINS Sunday, January 21st – 2:30PM to 4:30PM!**

When confronted with a life-limiting diagnosis, we can find ourselves in an unfamiliar and even frightening situation. These moments are usually marked by having to make numerous practical decisions surrounding care and support for loved ones and ourselves. More often than not, such decisions require moral discernment through the lens of our faith. We believe in the dignity and sacredness of human life at all stages, from conception to natural death. At the same time, our faith does not demand that life is to be sustained at all costs.

As Catholics, our faith in Jesus Christ has much to teach us about living and dying well. **Horizons of Hope: A Toolkit for Catholic Parishes on Palliative Care** is designed to help each of us – caregivers, the sick and dying and family members– to find support and concrete assistance.

**Horizons of Hope** is a four part program seeking to:

- Empower and educate parishioners by addressing questions surrounding palliative care, dying, death, suffering, accompaniment, and bereavement in a holistic fashion.
- Present high-quality content that explores how palliative care is understood from a perspective of Catholic moral and pastoral theology, medical expertise and the Compassionate Community model
- Facilitate meaningful conversations together so that our parish and families become Compassionate communities, grounded in the mercy and tenderness of the living Christ.

The First session begins on January 21st at 2:30PM to 4:30PM. **The module topics are:**

- Understanding the Experience of Dying and Death (21 January)
- Discerning and Making Decisions at the End of Life (28 January)
- Accompanying at the End of Life (4 February)
- Supporting and Integrating with the Wider Community

Each session includes videos related to the topic, one from a medical perspective and one from a theological perspective; small table conversation follows each video.

**TO REGISTER** or to receive more information, please contact Deacon James Kubina at [jgkubina@gmail.com](mailto:jgkubina@gmail.com) or [CLICK HERE](#). **COST:** \$10 to cover booklet printing costs.
